SINCE Wm. Randolph Hearst seems to be entirely a thing of the past so far as presidential possibilities are concerned and as Brer Walton can find nothing to say in defense of Mr. Hearst, more than that he is a Congressman and gave \$250,000 to the campaign fund, which has been reiterated in every issue of the INTERIOR JOURNAL for the last two months, and realizing that our Lincoln county friend is growing very hysterical over what we have had to say of Mr. Hearst, we bring to a close, so far as we are concerned, our "vituperation" as Brer Walton expressed it, of Mr. Hearst.—Mt. Vernon Signal. We congratulate you, Brer Albright, that you have resolved to quit abusing good a democrat as Mr. Hearst. You should have known better than to do such a thing on this. Now answer our question asked in Tuesday's issue—will you support Mr. Hearst if he is declared the nominee for president—and we will quit spanking and let you rest awhile. We want no dodging of the issue and nothing short of "yes" or "no" will suffice.

MR. W. P. WALTON, editor of the Lexington Morning Democrat, stated in an interview that the report sent out that he would start an afternoon edition of his paper to be run in the interest of the candidacy of W. R. Hearst for the democratic presidential nomination, was absolutely without foundation. Mr. Walton stated that he was not pushing the claims of any particular man for the nomination and that, while he intended to start an evening edition of his paper, it would be run on independent lines. He will employ the Scripps-McRae news service as well as the Hearst service, but says that there is nothing in that to mislead the public in the belief that he is for Hearst. He denies that the political and financial agents of Candidate Hearst broached the subject to him of running the evening edition in the interest of their man.

PRECINCT conventions do not suit Hon. George G. Gilbert and he wants the committee of this Congressional district to meet and rescind its action in calling them. Mr. Gilbert wants a primary, he says, and if he can not get one he may quit and not run at all. It is terrible to think of his refusal to

continue his fight for the nomination but the people of this portion of the district are making their preparations to stand it. Hon. Dan L. Moore is also said to be greatly displeased at his failure to get a primary and is losing sleep over the matter. In the mean time Hon. Harvey Helm is pursuing the even tenor of his way and kicking at nothing.

News comes from Shelbyville that Hon. George G. Gilbert has abandoned the thought of quitting the race for Congress and will fight it out convention or no convention.

POLITICAL.

Mayfield has organized a Hearst club of 537 members. The President has renominated Col. A. L. Mills for a brigadier generalship.

The New York Times wants Judge Parker to declare himself on the issues of the day.

President Roosevelt has appointed Col. A. L. Mills Commandant of the West Point Military Academy.

A treasury warrant for \$40,000,000 for payment for the Panama canal property was signed by Secretary Shaw.

The democratic State executive committee at Lexington decided to call the State convention for Louisville June 8.

Opposition has developed in Porto Rico to Judge William B. Holt, and the indications are that he will not be named as Federal judge for the island.

It is said that Col. James M. Guffy, of Pennsylvania, has been selected by Judge Parker's supporters for chairman of the democratic National committee.

A compilation of the delegates so far elected to the national democratic convention shows them to be divided as follows: Uninstructed, 156; for Parker, 94; for Hearst, 64; for Olney, 24; for Tom L. Johnson, 2.

The Hearst men controlled the Washington democratic convention at Olympia, electing seven out of 10 delegates and adopting the unit rule. The Gorman candidates were victorious in the democratic primaries in the district of Columbia and the Parker forces controlled the Connecticut State convention, which met at Hartford.

At a meeting of the democratic county convention at Lafayette, Ind., Daniel W. Sims, a candidate for the democratic nomination for governor, declared he had refused an offer of the nomination and a \$25,000 campaign fund to successfully manage the Hearst campaign in Indiana. He charged that Kirby Smith, county chairman, was under a similar contract to deliver the 10th Congressional district to Hearst. A riot followed this statement and the police were called in. Two sets of delegates—one for Parker and one for Hearst—were chosen for the State convention, which meets at Indianapolis next week.

A State convention to elect delegates to the national convention and to reorganize the party committees was called by the democratic State executive committee to be held in Louisville on June 8. County mass conventions will be held on June 4 to elect delegates to the State convention. The committee adopted a rule requiring the recognition of the delegates holding prima facie credentials in effecting the temporary organization of the State convention. The rule was the outgrowth of Chairman Young's declaration to Gov. Beckham and others at a recent conference that he would not recognize any delegation sent by Mayor Grainger and the city administration, even though the Louisville delegates be regularly and properly chosen. Chairman Young also predicted serious trouble in the State convention. He says he will ignore the State committee's new rule as to credentials and will do all he can in the interest of W. R. Hearst for president.

CHURCH MATTERS.

The annual convention of the Kentucky Society of Christian Endeavor is being held at Glasgow.

The Ninth district Sunday School convention adjourned at Versailles to meet next year at Nicholasville.

President James J. Hill, of the Northern Securities Company, will give \$1,500,000 more to the Roman Catholic church.

The committee which was appointed to consider the advisability of changing the name of the Episcopal church has reported in the negative.

All members of the Christian church are requested to bring dinners or contribute in some way to the dinner at the county meeting here Saturday, Mr. W. R. Shanks asks us to state.

At the Methodist General Conference in Los Angeles Dr. George Elliott, of Detroit, presented a memorial asking for the consideration of the advisability of the election of a colored bishop. He said he believed the church had reached a crisis in its relations with the colored race. Delegate Chas. P. McClelland, of New York, opposed Dr. Elliott, saying the race question had been brought before the conference entirely too much. The quadrennial address of the bishops stated that the relations between the Northern and Southern branches of the church were growing more fraternal and intimate.

IN NEIGHBORING COUNTIES.

The two Burginbanks will not consolidate as has been stated.

Hundley West, Sr., of Washington county, was killed by a fall.

Dr. H. H. Ford, a popular Springfield dentist, died Saturday of typhoid fever.

Edward H. Davis has been appointed postmaster at Cobarg, Adair county, vice Wm. J. Biggs, resigned.

Rewards have been offered for the arrest of Bob Shotton and George Mathus, charged with the murder of Green Hendrickson, at Logmont, Bell county.

At the election held to choose two trustees for the graded school at Lancaster, the retiring members, Capt. Wm. Herndon and J. W. Elmore, were retained. The other members of the board are Dr. J. B. Klonald, Judge J. S. Robinson, J. M. Logan and Jacob Joseph.

UNSOLICITED.—I was one of six ladies that Miss Ellen Ballou invited on last Friday to an impromptu recital in which five of her pupils took part. Miss Myrtle Abrams, Allie Huffman, Mary Higgins, Virginia Bourne and Mary McRoberts. All of these young ladies with one exception, as Miss Ellen says, she raised, so far as their musical lives are concerned she has had almost entire charge of them. Miss Ellen, I'm sure, felt a great deal of pride, when she asked the ladies "Do you think they'll do?" I can imagine if one of us had said, "No, I think not," she would have looked with amazement and thought, well you're an idiot, at any rate, so far as music is concerned. All of these are quite young girls and to hear them play Chopin, Beethoven, Liszt, Chaminade with the ease, grace and beauty of old musicians was a surprise to me. Now, almost any musician can play "rag time" music without notes, but when it comes to classical music, you seldom find amateurs that can play without them. That is one of the beauties of Miss Ellen's training. How often has one heard? "Oh I can't play without my notes!" I recall a composition of Chopin arranged by Liszt, The Moonlight Sonata of Beethoven, a light, graceful composition of Chaminade entitled "The Fawn" and one by McDonald. It was an enjoyable hour I spent and I thank Miss Ellen and the young ladies for it, also for the knowledge that our girls are not in the least behind those of any other town.

A brother of W. J. Bryan says the latter will head a Nebraska delegation to the St. Louis convention.

EAGLE BIRD.

The mighty son of the great king eagle. Eagle Bird as a show stallion has but few equals. He won the \$500 stake at Lexington, Ky., defeating some of the greatest horses that Kentucky has ever produced. Eagle Bird as a sire of good colored, high finished horses, is not surpassed. His colts are in demand and are selling for high prices, either for business or breeding purposes. Will make the present season at the stable of his owner, two miles west of Stanford on the Shelby City pike at the low price of \$10 to insure a living colt. Parting with the mare forfeits the insurance.

JAS. H. WOODS, Stanford, Ky.

Naboth will make the season of 1904 at our stable in Stanford at the low price of \$12.50 to insure a living colt. Money due when colt is foaled or mare parted with. Mares traded or removed from this county forfeits the insurance and the money is due. Naboth is considered by the best horsemen to be the best horse in Kentucky to breed to for high-class harness horses. See him before you breed. J. R. BEAZLEY, Stanford.

Seven-year-old Jack, 15½ hands high, proven breeder and a splendid individual; known as the Silas Anderson jack. Will stand at seven dollars to insure a living colt. Both will make the season on Silas Anderson's farm. Mares traded or moved out of the county without notifying me makes money due. No responsibility for accidents.

W. M. SPRINKLES, Rowland.

KING EAGLE.

King Eagle is 15 hands 3 inches high, dark bay, goes all the gaits with plenty of speed, style and action, sired by Royal King.

1st dam by Eagle Bird; 2nd dam by Red Lion; 3rd dam by Harris Denmark, he by Miller's Denmark; 4th dam by Jim Bell, thoroughbred.

NOTE.—Royal King was sired by the great On Time and is a brother to the great Silly King and Allie G., the great show mare that sold for \$1,000. King Eagle's 2nd dam is the dam of Minnie Boyd, the great show mare that Matt Cohen won everywhere with in 1895 and sold for \$500.

King Eagle will make the present season of 1904 at my stable 2½ miles west of Stanford on the Shelby City pike at the low price of \$10 to insure a living colt. Will also stand the great mule and jenny Jack, Silly Keene, at \$10 for mares and \$20 for jennets to insure a living colt. Billy Keene was sired by the great Tom Keene, 1st dam by the imported Palermo, 2nd dam by Levi Hubble's Prince, the sire of Joe Blackburn and Briggolia. Billy Keene stands full 16 hands high, black with white points, and as a breeder he is unsurpassed as a mule or jenny Jack. His colts will show for themselves. Will also let that great young jack, Jim Keene, serve a few outside mares at \$10 to insure living colts.

Phone 72—Ring 3.

PRESTON, NO. 922.

This premium saddle stallion of the world will make the season of 1904 at the stable of J. C. Bailey, on Old Lancaster Street, in Stanford, Ky.

Preston is a brown horse, 12 years old, 15½ hands high, a perfect model, with great style, action and speed.

Preston was sired by Washington No. 54, he by Cromwell No. 73, 1st dam Belle by Roderick; 2nd dam by a Denmark horse. Preston has shown against and defeated all the great show horses of Kentucky, such as Kentucky Artist, owned by T. Crenshaw, of Lexington, Ky., and Montgomery Chief, owned by Ball Bros. Why you should breed to Preston

1. Because he is the greatest show horse Kentucky ever produced

2. Because he is siring great show horses, such as Electra that was sold to Senator Vane for \$2,000; Rebecca, that sold at New York Exchange to George Watson for \$600; Miss Henrietta, owned by Gay Bros., that won more premiums in saddle and combined rings than any three-year-old out in 1903; a yearling colt sold to J. C. Cravins, of Illinois, for \$500.

3. Because he is the only saddle stallion that ever sired a team of harness geldings that sold for \$5,000

4. Because he won the championship of the Louisville Horse Show in 1903, shown by Matt S. Cohen, of Richmond, Ky.

5. Because he has won more money in the show ring than any other saddle stallion in Kentucky.

6. I will be glad to show him to any one at my stable and invite those wishing to breed to a fine saddle stallion to see him before breeding. I will stand him at \$10 the season or \$15 to insure a living colt.

Season 1904--Wood Lawn Stock Farm.

RED LEAF,

(4-year-old record 2:22 in 9th heat over ½ mile track.) Sire of 3 with records better than 2:30. Champion show horse of Kentucky and leading sire of high-class road horses and teams.

\$25 to Insure a Living Colt and a Good One at That.

I claim it is to the best interest of the owners of mares of Mercer and adjoining counties to breed to Red Leaf—1st, Because he is not for sale; I expect to keep him and breed and handle his produce, and it is very natural that I will work for the sale of all his colts at high prices, no matter to whom they belong. 2nd, Because his colts have a reputation and have sold for higher prices undeveloped than those of any stallion in Mercer or adjoining counties. 3rd, Because his colts have taken more premiums than those of any stallion in Mercer or adjoining counties. 4th, Because he has a better record as a race horse, having won 10 out of 13 races, and a better record as a show horse, having won 58 out of 63 shows, than any stallion in Mercer or adjoining counties. 5th, Because Red Leaf is the only horse sired by a horse with a record of 2:18 (C. F. Clay), who has sired 8 colts with records better than 2:13, and with a dam (Lady Hart) that every colt she had took a standard record and was a winner, and whose grand-dam (Soprano) was the greatest brood mare in the world, having 11 in the list, and whose sire (C. F. Clay) sold for \$6,000, and whose dam sold for \$1,500, whose dam's sire (Red Wilkes) sold for \$30,000 for a half interest, and who himself (Red Leaf) sold at 3 years old for \$1,000 and at 14 years old for \$1,750 and that has himself sired 14 colts to sell for over \$900—some as high as \$2,000—and teams from \$1,500 to \$3,000, in Mercer and adjoining counties. 6th, But three of Red Leaf's colts were ever trained for speed and they all took records. 7th, But one of Red Leaf's colts was raced, and he started in 11 or 12 races, winning first in one and second in all the others, as shown by the Year book, and showed miles in 2:15, and would have been a sensational horse had he lived. 8th, Red Leaf has sired more high-class, high-priced teams than any stallion in Kentucky in the past two years. 9th, I can show several offers of over \$3,000 for a pair I now have. None of those sold were five years old, and most of them under three years.

Now I say if you want a trotter, Red Leaf is bred to get them, as his sire is one of the world's greatest sires of extreme speed, and his dam a great producer, and she by one of the world's greatest sires of speed (Red Wilkes), and his sire's dam the greatest brood mare in the world. If you want a show horse, he has proven he can get them of the highest quality, a three-year-old mare by him showing through the circuit in regular and sweepstakes and winning 24 out of 26 shows—something equaled only by the world's famous Gipsy Queen. If you want a business horse, he can get them that will sell for the highest dollars, and his fillies are sure to be great brood mares. If these are not facts, why not?

I also have a good Black Jack, to stand at \$8 to insure a living colt.
